Bengaluru, Aug. 23- A day after the Kodagu District Administration announced enforcement of prohibitory orders (Aug. 24 to 27) in Kodagu district in the wake of Congress party's call for *Madikeri Chalo*, in protest against egg pelting at the car of Opposition Leader Siddharamaiah during his visit to Kodagu on Aug. 18, the Congress has called off the rally.

EDITOR'S BOTTOMLINE

The Uttar Pradesh Government Departments have asked their employees, including teachers, to fan out and seek donation of fodder for goshalas. The State has some 1.18 million stray cattle as per the 20th Livestock Census. Of these, 0.85 million have been kept in Government-supported goshalas which are unable to provide fodder for the cattle due to the steep increase in price. About 7,000 tonnes of fodder is required by these goshalas. The State is unable to provide this huge quantity to keep the starving cattle alive. Though the Government has been prodding farmers to donate fodder, no tangible results have been obtained, and it seems a number of cows will starve to death in these goshalas.

Nearly 50% of the fodder demand of the livestock sector is met through wheat residues. And when the main wheat crop is adversely affected — by extreme warm weather followed by unseasonal rains, as had happened in Punjab — it has a ripple effect on cattle fodder. It is cyclic.

Indian planners, with their Baconian mindset, can only think about "food security". This author would suggest that there should be a "fodder security" in the country for cows. The NITI Aayog should be prodded to think on these lines. By ensuring a minimum support price for fodder on the lines of MSP for food grains, the country can ensure that enough quality fodder is provided to millions of starving cows, not just in goshalas but on the farms also. This would be like providing a support platform for the dairy sector, and it is bound to have a positive effect on the Indian economy. It would be like a double-edged weapon — on the one hand, India would be saving millions of lactating cows, and on the other, it would render a great boost to the dairy sector. It could be a win-win situation for all Indians.

Why are Indian planners not thinking on these lines?

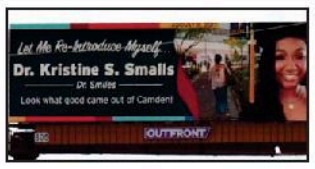
Mom rents billboard to greet daughter



New Jersey: A proud mother celebrated her daughter receiving a doctorate by purchasing space on a billboard in a busy area.

"At the age of 5 years old, she knew that she wanted to be a doctor," Busbee told. The billboard came as a surprise to Smalls.

"She typically goes above and beyond for me and my brother whenever we, like, have any type of accomplishment," Smalls told.

Busbee said the billboard was aimed at congratulating her daughter as well as inspiring local youngsters to achieve.

He suctions 10 cans to head for a Record

Wisconsin: Jamie Keeton, man with unusual skin suction recaptured a Guinness World Record by sticking 10 cans to his shaved head.

He originally set the record for most drink cans placed on head using air suction in 2016, when he affixed eight cans to his head and had them remain in place for at least 5 seconds.

Keeton's record was broken by a Japanese man who stuck nine cans to his head in 2019, leading Keeton to recapture the title this year with 10 cans.

Keeton, who turned his ability to stick objects to his head into a lucrative career, attributed his unusual skill to a medical condition.

"I actually have a skin condition that's not named yet where my skin pores literally suck in oxygen," Keeton said.

This condition has caused objects to stick to his skin since he was a child.

VOICE OF THE READER

Service lines below ground level

Sir,

This refers to the news item titled ***"MUDA's unscientific work draws criticism"*** in *Star of Mysore* dated Aug. 20 on page-4.

I agree with the residents of Vasanthanagar while pointing out the shallow depth at which new 'Sewer Line' is being laid. I am confident that the item description in the Bill of Quantities (BOQ) would specify the minimum depth of excavation of the trench, jointing of pipes, backfill compaction, pressure testing etc.

It would do well for MUDA engineers to invite a few residents, preferably of engineering background, and convince them of adoption of specifications.

I have a gut feeling that the BOQ description specifies a minimum depth of 100 cms to the "Crown of the Line" — meaning top of the pipeline. The BOQ also specifies the methodology of backfilling trenches, compaction and reinstatement of ground to originality.

Measurements of all are witnessed, test results recorded and paid per approved measurements. And, as a matter of norms, the residents may be shown the details.

I may wish to mention here that I have written umpteen articles on this subject and

am fully aware of the fact that many road development projects are stalled because of the following factors:

1. There are no records available regarding existing lines, depths etc.

2. Consequently, while the contractor deploys excavator/dozer/grader, invariably bunches of existing services of all sorts get damaged/uprooted.

3. Contractor dumps documents on the Government agencies of the compensations payable and extension of time.

4. Law suits are filed. Costs inflate. Exchequer loses money.

To overcome the 'Trust Deficit', it would do well for MUDA and other Government agencies to involve residents and work in tandem as per specifications rather than being eternal suspects.

Latest I wrote was regarding "Hinkal Flyover" on Hunsur Road. Well, our Departments never learn from the past. History repeats itself.

He was speaking at Ursu Mandali Sangha Centenary celebrations organised at KSOU Convocation Hall in Mukthagangothri campus along Hunsur road here on Sunday.

Pointing out that D. Devaraj Urs had ruled the State for about eight years (1972-80), Somashekar said that Urs introduced some revolutionary initiatives such as 'Uluvavane Bhoomi Odeya' (the tiller is the owner of the land), which helped lakhs of poor farmers and landless agricultural labourers. Urs was also instrumental in renaming the then Mysore State as Karnataka, he added.

Noting that the CM will take suggestions from MLA S.A. Ramdas while announcing any programmes for Mysuru, Somashekar said that likewise, the CM would take the advice of the MLA in the establishment of Urs Development Corporation also.

Mysore Royal family member Pramoda Devi Wadiyar, who spoke after inaugurating the programme, said that though Urs is a minor community, it has made its own mark in rendering service to the society.

Lauding the Ursu Mandali for its service, she said that it is a matter of joy that women members of the community have excelled in almost all fields.

Sangha President H.M.T. Lingaraje Urs, in his address, wanted the Government to appoint a Urs community member as Head of a Board or Corporation. He also urged the Government to set up Urs Development Corporation with a working fund of Rs. 500 crore.

He was speaking at the valedictory of the centenary celebrations of Ursu Mandali Sangha at KSOU Convocation Hall in Mukthagangothri along Hunsur road here on Sunday.

Maintaining that the Government took over residential hostels and educational institutions established by the erstwhile Mysore rulers decades ago, Yaduveer said that now it has become difficult to come to the aid of community students. As such it is essential that the community stays united for availing Government benefits and facilities, he said and called upon the community students to work hard for excelling in their chosen careers.

Two arrested for murdering woman

She was killed for gold, but killers got only Rs. 10

Mandya, Aug. 23- Halagur Police have arrested a woman and her lover on charges of murdering a woman a year back. The killers were arrested in Bengaluru on Aug. 19.

Those arrested are Lakshmi, a native of Honniganahalli village in Channapatna taluk and residing at Challaghatta in Bengaluru and her lover G. Narayana alias Nani, a resident of Banashankari 3rd Stage in Bengaluru.

Lakshmi and Narayana, on July 28, 2021 had murdered Chandrakala alias Shobha (42). The duo took Chandrakala in an auto near Mullaiahnakatte Gudda in Malavalli taluk coming under Halagur Police limits and had killed her by smashing her head with a large stone. The body was found the next day morning by passersby, who had informed the jurisdictional Police.

Halagur Police, who had registered a case and began their investigation, came to know about a missing case of Chandrakala. A missing complaint in this regard was lodged in July, 2021. Following instructions from SP N. Yatish, Malavalli Sub-Division Dy.SP Naveen Kumar led a Police team comprising Halagur Circle Inspector B.S. Sridhar and a Technical team and intensified their investigation.

The Police team, which checked the mobile phone tower locations of Chandrakala, came to know that her SIM was active at the mobile towers in Halagur Police limits and also came to know that the mobile phone of accused Lakshmi was also active in the same location. The Police then took Lakshmi to their custody and subjected her to interrogation during which the murder came to light.

Accused Lakshmi and deceased Chandrakala were colleagues, who were working in a gunny bag stitching unit.

Lakshmi had observed that Chandrakala used to wear gold ornaments. She used to remove her gold jewellery and keep it in her purse and again wear them after reaching a safe place.

Lakshmi then hatched a plot to kill Chandrakala with the help of her lover Narayana, an auto diver and loot her gold ornaments. On July 28, 2021, Lakshmi took Chandrakala in the auto driven by Narayana and when they reached near Mullaiahnakatte Gudda, they bludgeoned Chandrakala to death. But when they opened the purse of Chandrakala, they only found Rs. 10. Disappointed, they returned to Bengaluru. As soon as the murder came to light, the Police arrested Lakshmi and Narayana.

Malavalli Sub-Division Dy.SP Naveen Kumar guided Halagur Circle Inspector B.S. Sridhar, SI D. Ravikumar and staff Annapoorna, Rangappa Salapur, Riyaz Pasha, Siddaraju, Rafiq, Nadaf, Chidambar, Mohammed Farooq, Mallikarjun Chulaki, Jayakumar and Siddegowda in the nabbing operation.

Policy lapse: HC orders LIC to provide compensation to policy holder

HC upholds Lok Adalat's order to pay Rs. 20,000 compensation

Mysuru, Aug. 23 (KS)- The High Court (HC) has upheld the order of the Lok Adalat which had directed Life India Corporation (LIC) to provide a compensation of Rs. 20,000 to the policy holder for not informing him (policy holder) about his cheque being bounced and for lapsing the policy.

Nadeem Ahmed Khan, the policy holder and a resident of Rajivnagar in city, has been paying the policy premium once a year and on Dec. 2, 2010, Nadeem had given a cheque for Rs. 6,514 towards the payment of the premium to LIC.

But after six months, Nadeem received a letter from LIC which stated that his policy was lapsed due to non payment of the premium. When Nadeem went to the LIC and enquired, the LIC officials then told him that his cheque had been bounced as his signature could not be matched. Also, he was told that the bounced cheque was sent to him through speed post.

Left with no other options, Nadeem paid the policy premium along with a fine of Rs. 431 and got the policy renewed. But he did not receive the bounced cheque through speed post as told by LIC officials. When Nadeem got his Bank passbook updated, he came to know that cheque bounce charge was deducted from his account.

In this backdrop, Nadeem filed a case against LIC at Mysuru Lok Adalat and the Lok Adalat Chairman, who took up the case, found that LIC had not formally informed policy holder Nadeem about cheque bounce and also not complained Postal Dept. about speed post not reaching the addressee even after 3 months.

On Mar. 21, 2014, Lok Adalat Chairman N.V. Dharwadkar, Members C. Boregowda and Anitha N. Joshi ordered LIC to provide Rs. 20,000 as compensation to Nadeem and to return the fine amount of Rs. 431 with 9 percent interest to policy holder Nadeem.

Questioning the Lok Adalat order, the LIC approached the High Court and High Court Judge Justice Anantharamanath Hegde upheld the Lok Adalat's order and dismissed the petition filed by LIC on June 10, 2022.

BSY launches Veer Savarkar Rath Yatra

(Continued from page 1)

Highlighting the objectives of the Yatra, BSY said that it aims to spread the social messages of Savarkar to every household and individual at a time when the country has just celebrated the 75th year of Independence.

Strongly condemning Congress party's attempts to defame Savarkar, he said that even great freedom fighters like Zakir Hussain and Rammanohar Lohia had endorsed Savarkar as an inspirational freedom fighter and frontline crusader of independence. Stressing on the need to give a befitting reply to the critics of Savarkar, the former CM said that he was a social reformer and was loved by all sections of the people.

"Savarkar was widely considered as a source of youth inspiration during freedom struggle. He had fought for survival of Hindu religion. Even Congress leader Indira Gandhi had praised Savarkar for his freedom struggle and his fight for Hindu ideology. But it is really unfortunate that such a great personality is being demeaned by Congress", he said adding that the Yatra is surely going to inspire the youths for carrying forward the rich legacy left

behind by Savarkar. BSY also appealed people to ensure total success of the Yatra.

Pratishtana President Yashaswini, Convenor Rajath, City BJP President T.S. Srivatsa, MLA L.Nagendra and other BJP leaders and members of several organisations were present.

The Yatra, in which hundreds of people are taking part, will pass through Teresian College Circle, Kyathamaranahalli, Tilaknagar, Mathru Mandali Circle in Vontikoppal, Maruthi Tent Circle, Vivekanandanagar, Chamundipuram and other parts of city, before being received at Highway Circle in Bannimantap later in the evening. Police had provided elaborate security.

Egg attack in Kodagu

High-level probe begins

Madikeri, Aug. 23- Even as hurling of eggs at the car of Opposition Leader and former Chief Minister Siddharamaiah has snowballed into a huge controversy and the incident hitting national headlines, a high-level probe has begun into the incident.

The probe has commenced following a Government Order. Chamarajanagar Additional SP Sundarraj has been appointed to head the probe, according to highly placed sources.

As part of the probe, a Special Police team, which has arrived at Guddehosur in Somwarpet Taluk of Kodagu District, where the incident took place on Aug.18, has begun collecting video footages captured in CCTV cameras, press reports and other such evidences.

In the meantime, the mudslinging between the ruling BJP and the Opposition Congress over the political affiliation of prime accused Sampath has continued, with both parties blaming each other for the egg attack incident.

While senior Congress leader of Kodagu B.A. Jivijaya has vehemently denied that Sampath is his supporter, the ruling BJP says that the accused is well-known in Congress circles. Jivijaya said that Sampath is associated with BJP and had sought the support of Madikeri MLA Appachu Ranjan for getting Government contracts. Sampath has also taken part in many RSS, VHP and other Hindu Organisations' rallies, Jivijaya claimed and accused the BJP of making baseless charges against the Congress.

Stop trading charges over egg pelting, meat consumption: Vishwanath

Mysuru, Aug. 23 (MTY&DM)- Condemning the egg attack on the car of former Chief Minister and senior Congress leader Siddharamaiah during his visit to Kodagu on Aug.18, BJP MLC A.H. Vishwanath has called for the intervention of senior BJP leader B.S. Yediyurappa for easing the tensions that have erupted following the incident.

Vishwanath

Speaking to presspersons at his office in CADA premises here on Monday, Vishwanath said that no one should defend the egg pelting incident.

Asserting that the incident has been strongly condemned by leaders irrespective of their party affiliations, he said it is high time to stop debating unnecessary issues such as meat consumption, visiting temples after eating non-veg food and the like at a time when the State is reeling under natural calamities.

Stressing on the need for the Government to ensure that egg incident does not blow over from here, he recalled many instances in the past when stones, eggs, tomatoes, cowdung, footwear and such other articles were thrown at political leaders by the irate public.

Urging Siddharamaiah to call off his *Madikeri Chalo* in the better interests of the people of Kodagu, Vishwanath appealed the former CM not to give scope for any untoward incident.

Taking exemption to sidelining of a tall leader like Jawaharlal Nehru, the country's first PM, during the just concluded 75th Independence Day celebrations, MLC Vishwanath alleged that Nehru was ignored only to bring Veer Savarkar to limelight.

Kodagu must have an exclusive Lok Sabha Constituency: MLC

Batting for an exclusive Lok Sabha (LS) seat for Kodagu, MLC Vishwanath appealed all political parties to support the cause of Kodagu Lok Sabha seat. Noting that Kodagu has been rattled by floods, rains and other natural calamities for the past few years, he said the people of the district have been suffering like never before. As such, the primary focus should be on addressing public issues, he said and appealed leaders to refrain from discussing about unnecessary and controversial issues.

Pointing out that earlier Kodagu was clubbed with Dakshina Kannada district for LS polls, he said Kodagu is now attached to Mysuru district. Hence, there is no separate identity for Kodagu in LS and announcing an exclusive LS Constituency for Kodagu would largely help in addressing the issues of the district.

Maintaining that the people of Kodagu are upset with both the ruling BJP and the Opposition Congress, Vishwanath urged the Centre to announce an exclusive LS seat for Kodagu. Citing the example of North-Eastern States, where there are LS seats for just 3-4 lakh population, Vishwanath, himself a former Mysuru-Kodagu MP, said likewise, Kodagu too should have a LS seat under the present circumstances.

Asserting that both Mysuru and Kodagu are known for harmony and peace, he appealed everyone not to make any attempts to disrupt peace.

Prohibitory orders in Kodagu from tomorrow till Aug. 27

Meanwhile, taking note of the Congress' plans of *Madikeri Chalo* as part of laying siege to the SP's Office on Aug. 26, the Kodagu District Administration, as a precautionary measure, has enforced prohibitory orders in the whole of Kodagu district from 6 am on Aug. 24 till 8 pm on Aug. 27.

Following reports that over a lakh people, including those from neighbouring districts are expected to take part in the *Madikeri Chalo* on Aug. 26 and also as the BJP has planned to organise a rally at Madikeri's Gandhi Maidan the same day (Aug. 26), the District Administration has enforced prohibitory orders for ensuring maintenance of Law and Order.

Barring already fixed weddings and such other public functions, no other meetings, functions and public gatherings will be allowed on these dates.

Likewise, bursting of crackers, taking out rallies, black flag demonstrations and such other demonstrations, making provocative speeches etc., have been completely banned when the prohibitory orders are in place.

In yet another Law and Order measure, the District Administration has banned sale of liquor across Kodagu district from midnight of Aug. 24 to midnight of Aug. 26.

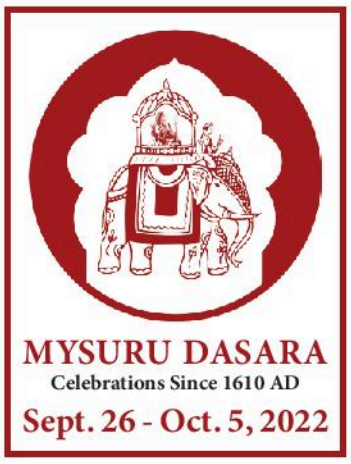
Karnataka Tourism Society urges Govt. to print 1,000 Gold Cards

Suggests to waive off inter-State permit charges for tourist vehicles entering Mysuru

Mysuru, Aug. 23 (SBD&BNR)- Even as all are eager to witness the grand Dasara celebrations in city this year after a gap of two years due to COVID pandemic that confined the celebrations to Palace premises, an announcement that there will be no Gold Cards this year has disappointed the tourism sector.

Following this, Karnataka Tourism Society (KTS), a professional body representing travel, tourism and hospitality sectors in the State, has written to Chief Minister Basavaraj Bommai requesting him to make



Dasara Gold Cards available for distribution by Sept. 10.

Stating that selling Gold Cards is a good source of income during this festive period, the KTS has requested the Government to print 1,000 Gold Cards and to reserve 500 of them exclusively for KTS members.

"Sale of Dasara Gold Card had been the practice for over 2 decades, attracting a lot of visitors. Many Tour Operators and Travel Agents from Karnataka have already sold more than 500 Mysuru Dasara package tours to witness this festival. They buy Gold Card when released and distributed at cost price among tourists who have booked Dasara packages. In this context, the CM has been urged to print about 1,000 Gold Cards for distribution among tourist travellers and stakeholders," the letter stated adding that the additional revenue that would accrue to the State will be upward of Rs. 50 lakh, on sale of Dasara Gold Card directly and more than Rs. 100 crore revenue to all stakeholders of travel, tourism and hospitality sector in Karnataka.

The letter to the CM, signed by KTS President K. Syama Raju and Hon. Secretary S. Mahalingaiah, has also suggested to waive off inter-State permit charges for tourist vehicles which enter Mysuru from other States from Sept. 1 to Oct. 31, which would attract many inter-State tourists towards Mysuru.

WORD OF THE DAY

Epitome

Pronunciation: ih-PIT-uh-mee.
Meaning: Epitome means "a typical or ideal example," and is a synonym of embodiment.
Origin: Epitome first appeared in print in the early 16th century, when it was used to mean "summary." If someone asks you to summarise a long paper, you effectively cut it up, mentioning only the most important ideas, and the etymology of epitome reflects this process: it comes from Greek epitemnein, meaning "to cut short." Your summary probably also presents all the key points of the original work, which may explain why epitome eventually came to be used for any person or object that is a clear or good example of an abstraction, as in "the epitome of grace" or "the epitome of health."
Example: "How do you embody a living legend who is the epitome of style and grace such as Dionne Warwick? After social media fuelled rumours about their resemblance, [Teyana] Taylor has teamed up with the icon to direct and star in a limited scripted television series about Warwick's life." — Savannah Taylor

THE ODD WORD

Ecdemomania

Abnormal compulsion for wandering.

PHRASE OF THE DAY

Easier said than done

Meaning: The phrase 'Easier said than done' is said of a task that is easier to talk about than to do.
Origin: Like so many popular sayings, the origin of the idiom 'Easier said than done' can be found in venerable literature. This common expression was first seen in print in the Terentius Afer's 1483 book, Vulgaria Terentii, and was worded in the language of the day as: "It is easyer to saye than to do."
Example: "Finding a good job is easier said than done."
